A fit that works for your home

5 ft mattress fit: 60 × 78 inches (152.4 × 198.1 cm)

6 ft mattress fit: 72 × 78 inches (182.9 × 198.1 cm)

These are mattress width × length measurements, not overall frame dimensions. Confirm the selected model's finished width, length, headboard height and footboard height before ordering.

Dealer and bulk orders

Share product codes, quantities, your delivery PIN code and required date. Our team confirms minimum quantities, competitive pricing, production slots and freight. Kerala, Tamil Nadu and other locations are subject to serviceability confirmation.

Payment and production

50% advance confirms an order; the remaining 50% is payable on delivery. Standard production is approximately 7 days after confirmation and advance payment, subject to capacity. Bulk orders, custom furniture and design concepts have a separately agreed lead time.

Delivery and installation

Free delivery for the first 10 km from our Athavanad workshop. Beyond 10 km: ₹20 per additional km, one-way. Confirm the total with our team. Installation / assembly is free. Tolls, parking, ferry, special handling and unusual access may cost extra.

Finish, dimensions and inclusions

Natural teak finish is included; ask about other finishes. Overall dimensions vary by design. Confirm mattress, upholstery, glass, fittings, chair quantities and accessories in your quotation. Showroom styling and accessories in images are illustrative.

5-year limited warranty

Covers verified manufacturing defects in structure and workmanship. Excludes misuse, water or pest damage, accidents, normal wear, shifting damage and unauthorised modifications. Report visible delivery issues immediately and other initial defects within 48 hours with photos or video; this window does not cancel the manufacturing-defect warranty.

Returns and private designs

Returns or replacements apply to verified manufacturing defects, incorrect items supplied or eligible delivery damage. Selected unique MCA designs are shared privately to help prevent copying and design piracy.
